

Cyber Compliance Manager

Effective . Predictable . Affordable

The Real Answer for Cybersecurity Compliance

TCecure Compliance Manager (TCM), powered by Rizkly, is the effective and efficient choice for demonstrating cybersecurity compliance when plentiful in-house staff or big consulting budgets are not feasible. Organizations gain a powerful cybersecurity compliance platform along with the option to purchase fractional dedicated security and expertise for certainty in achieving compliance initiatives.

- CMMC for DoD Contractors
- 800-53/FISMA Gov Agencies
- FedRAMP for CSPs
- NIST 800-171 with SPRS
- Accelerated ATO
- RMF & CIS Cyber Essentials
- SOC & HIPAA
- NERC, IEC 62442
- GDPR Data Privacy
- CPRA & C-11, CPCSC
- ISO-27001, 42001-AI
- Create-Your-Own
